

Lethbridge Curling Club Members

On behalf of the Board of Directors, I am very pleased to announce today, the hiring of Kirk Mearns as the General Manager of the Lethbridge Curling Club. Kirk, as many of you know, has been a long time member of the club, Past President, Volunteer and Chair of many committee's and event organizations over the years. Most recently, Kirk was Co-Chair of the World Curling Championships hosted at the Club. He enters this new and exciting opportunity with a vast amount of experience in business, marketing, sales and management. Kirk will be an outstanding leader of a team of very talented club employees that are eager to move forward with continuing our journey in the new facility.

Kirk begins on July 1st and I am sure you all will join me in welcoming him as he gets settled in over the coming weeks.

I would like to extend a thank you to the GM Search Committee. They did an outstanding job in a short time frame in order to put leadership in place with ample time left in the off season to accomplish the many things needed in order to get ready for the 2017/18 season.

Mike Mulroy
President
Lethbridge Curling Club
