

To all our volunteers

On behalf of The Organizing Committee of the World Curling Championships we wish to thank you all for your contribution to this very successful event. Although the final numbers are still being calculated it does look like we will be posting a profit for the curling club.

Volunteers are the backbone of any event this size and once again Lethbridge came through with flying colors. Your donation of your precious time to this event did not go unnoticed. Kate Caithness, president of the World Curling Federation wanted us to pass along her congratulations on behalf of the entire World Curling Federation team. They were impressed by the excitement and engagement of our volunteer group.

You should all be very proud of yourselves and of what we accomplished. We welcomed the world to Lethbridge and showed them what Southern Alberta hospitality was all about. The athletes were all blown away by how well they were looked after, how impressive our new facilities are and how open and accommodating you all were.

We made the draw for the 55" color TV and the winner is Stan Hickle. Stan volunteered with the officiating team and helped with mixed doubles scoreboards and rock setting.

Once again, we wish to thank you for all your time and effort in hosting this world class event.
